— OBSERV El verbo *can* no tiene infinitivo ni participios ni tiempo futuro. Para expresar estas ideas hay que emplear el verbo *to be able*: *no podremos ir* we shall not be able to go; *no pudiendo correr* being unable to run, not being able to run. El pasado del verbo *may* es *might*. No obstante *might* es de por sí un verbo auxiliar que se emplea para pedir permiso y también para expresar una posibilidad. Aunque el único sentido normal de *can* sea el de tener la capacidad física de hacer algo, se emplea cada día más este verbo para todos los significados de *poder*.
